Please indicate whether you would like to  
attend in person or online.

## A Conversation with Prof. em. Dr. Sudhir Kakar (Psychoanalyst, University of Goa)

For more than a century, the cultural imagination of psychoanalysis, its terroir, has been assumed as being Western. Insights from clinical work embedded in the cultural imaginations of non-Western civilizations could help psychoanalysis rethink some of its theories of human psyche, extending these to cover a fuller range of human experience.
